HSUHK 45th Anniversary

HSUHK celebrates 45th Anniversary Alumni join forces to create a new milestone 恒生大學45周年校慶 校友同行 共築新里程

On 2 November 1979, Hang Seng School of Commerce held its Foundation Stone Laying Ceremony, with classes officially beginning the following year. The inscription from one of the founders of HSUHK Dr Ho Sin-hang — “學貴有恒 本立道生” or “With Erudition and Perseverance, Strong Foundations Beget Proper Ways” — is not only engraved on the commemorative plaque, it is also engraved in the hearts of all Hang Seng members.

In 2025, The Hang Seng University of Hong Kong (HSUHK) is celebrating its 45th Anniversary. This important milestone is bringing alumni many opportunities to engage in a wide range of commemorative activities, reconnect with their alma mater, and together contribute to the University's precious journey.

1979年11月2日，恒生商學書院舉行奠基儀式，翌年正式開課。由學校創辦人之一何善衡博士題字之辦學理念「學貴有恒 本立道生」不僅鐫刻於基石之上，更深植於恒大人心中。

2025年，香港恒生大學迎來45周年誌慶，這不僅是恒生大學辦學歷程的重要里程碑，也為校友提供了多元參與的機會，與母校保持聯繫，共同見證這段珍貴歷程。

Building on the past and forging a path to the future

In late January, an array of exciting celebratory events was unveiled at the HSUHK 45th Anniversary Celebration Kick-off Ceremony, officiated by President Professor Simon Ho, alongside Ms Antonia Yeung, Associate Vice-President and Mr Thomas Ching, alumnus and Co-Chairman of the HSUHK 45th Anniversary Organising Committee.

On 13 March, over 400 guests from different sectors of society came together for the 45th Anniversary Reception cum 10th Anniversary Celebration of The Hang Seng University of Hong Kong — Foundation. In her welcoming address, Chairman of the Board of Governors Ms Diana Cesar talked about how HSUHK's "Liberal + Professional" education model is empowering students to flourish and to excel. She placed special emphasis on the vital role of the Foundation in supporting students' efforts to explore and excel in diverse fields, and in contributing to social progress.

Cherished memories and unchanging love for alma mater

Earlier this year, the Advancement and Alumni Affairs Office launched a campaign titled "Echoes of the Past: Collection of Hang Seng Memories." The campaign invited HSUHK alumni of every generation to share old photos, memorabilia, and similar personal fragments of memory that collectively bear witness to the University's journey and growth. Meanwhile, a special "University History Concourse" exhibition under the theme *Strong Foundations Beget Proper Ways* showcases photographs, artifacts, and records recalling HSUHK's milestones and tracing the evolution of its unique "Liberal + Professional" education philosophy.

承先啟後 奮進前行

今年1月下旬，恒生大學舉行45周年校慶啟動禮，由校長何順文教授、協理副校長楊如虹女士，以及45周年校慶籌委會聯席主席程永康校友共同主持，為一連串精彩的慶祝活動揭開序幕。

3月13日，45周年校慶酒會暨香港恒生大學—基金10周年誌慶隆重舉行，逾四百位來自不同界別的嘉賓出席，聚首慶賀。校董會主席施穎茵女士致歡迎辭時指出，大學秉持「博雅+專業」的教育模式，為學子提供充裕資源，匡扶成長，卓然有成。至於成立十載的香港恒生大學—基金，對大學發展舉足輕重，支持學子在不同領域探索發展，以專業知識推動社會進步。

流金歲月 恒情不變

早前發展及校友事務處舉行「恒久回憶」徵集活動，邀請各年代的恒大人分享舊照舊物，透過個人的回憶點滴，一同見證恒生大學的成長歷程。同時，大學也特別設立「大學校史廊」，舉辦以「本立道生」為主題的展覽，通過相片、實物和歷史紀錄，回溯大學的不凡歷程與重要里程碑，見證大學實踐辦學理念，以及獨特的「博雅+專業」教育模式。

Connecting hearts through music

On 18 September, the “Uniquely Common” Concert, one of the major celebratory events, will be held at the Concert Hall of Hong Kong City Hall. The event, conceived as a tribute to unity and mutual care through the power of music, will feature performances by special guests and University members alongside students, staff and alumni. Additionally, the Concert will serve as a fundraising initiative for the Strategic Campus Development Fund, which is supporting the renovation of the M Building and future campus expansion projects.

Embracing inclusion and harmony with nature

To promote sustainable development and community inclusion, the University will host an “HSUHK Green Trek Fun Fest” on 20 December. Alumni, faculty, staff, students, and neighbourhood residents will be invited to participate in the event and enjoy the beauty of nature. It will include a fun fair on campus featuring games and activities designed to strengthen bonds between HSUHK and the local community.

Together we build the future

Over 45 remarkable years, the University has developed rapidly and achieved exceptional results. It could not have done so without the generous support it has received from many different sectors of society, the concerted efforts of HSUHK members, and the unwavering loyalty and devotion of its alumni. This year's series of anniversary activities is showcasing the close-knit solidarity of the entire University community. Building on the strong foundations laid over the past 45 years, HSUHK members are joining hands and channelling their skills and energy to create an even brighter future for the University.

新舊築跡 延亮光輝

The M Building was erected 45 years ago, when The Hang Seng University of Hong Kong (HSUHK) was first founded. This year, having withstood the test of time, it is set to undergo major renovations to bring it back to its former glory. Nearby stands the youngest building on campus, the Creative Humanities Hub, which houses the Martin Ka Shing Lee Innovation Lab and a Multimedia Commons, each equipped with advanced digital equipment designed to foster a vibrant culture of innovation. Complementing each other, the old and the new facilities serve as joint testaments to the University's unstinting efforts to strive towards new heights.

M Building fundraising: renovation and a brand-new look

The M Building was completed in 1980, consisting of classrooms, academic and administrative offices and a canteen. It holds significant historical value for the University's mission as a focal point over the years for academic exchange and knowledge transfer. Having served through the eras of the Hang Seng School of Commerce, Hang Seng Management College and HSUHK, the M Building evokes treasured memories of years of learning and growth for generations of Hang Seng members. However, years of heavy use have left their marks on the building, which is now in urgent need of repair and renovation. The University is launching a fundraising campaign for the project to refurbish and upgrade its infrastructure to meet the needs of the University's future development, as well as to provide a safer and more comfortable environment for faculty, staff, students and alumni, and enhance the overall campus ambience.

香港恒生大學走過45載歷程，於創校時落成的M座大樓，迭經歲月洗禮，即將進行翻新工程，再現光芒。而鄰近M座的創意人文館，是校園內最年輕的建築物，內設李家誠創新實驗室和多媒體空間，配置多種先進的數碼設備，展現創新活力。舊建築，新設施，互相輝映，見證大學奮進不懈的足跡。

籌款計劃 修葺M座展新貌

M座大樓落成於1980年，對大學而言別具重要的歷史價值。大樓內設教室、學術及行政辦公室與食堂，歷年謹守服務大學的使命，一直是學術交流和傳承知識的橋頭堡，伴隨大家從恒生商學書院，到恒生管理學院，走到香港恒生大學，承載着很多恒生學習歲月的珍貴回憶，護持一輩又一輩恒大人成長。惟經多年使用，大樓滿布歲月痕跡，急需修繕翻新。大學正為翻新工程推展籌款計劃，用於修葺、改善及提升基礎設施，以配合大學未來發展所需，提供更安全、舒適的環境，給教職員、學生及校友，展現新氣象。

Promoting digital creativity with technological tools

By contrast with the University's historical architecture, its Martin Ka Shing Lee Innovation Lab and the Multimedia Commons in the Creative Humanities Hub showcase the latest in cutting-edge technology. Both these facilities are equipped with industry-leading digital systems such as "Extended Reality", "Disguise" and "TriCaster", along with state-of-the-art technologies such as Virtual Reality (VR) and Augmented Reality (AR) that deliver highly realistic visual effects, enhancing the immersive experience and providing more creative possibilities for content creators.

In its unstinting efforts to nurture a creative culture, the University has invested over HK\$10 million in these facilities, which are open for use by all staff and students. In today's digitally-driven world, they are enabling students interested in pursuing creative work with digital technologies to stay at the forefront of innovation, acquire knowledge through practical applications, and realise their potential in the field of creative media and beyond.

科技設備 推動數碼創作發揮

與歷史建築互相呼應，創意人文館內的李家誠創新實驗室和多媒體空間則展示嶄新科技，內置先進的數碼系統，包括「延展實境」(Extended Reality)、「Disguise」和「TriCaster」等尖端設備，配合虛擬實境(VR)和擴增實境(AR)等先進技術，帶來實感強型的視覺效果，強化沉浸式體驗，為影像工作者提供更多創意可能。

大學推動創意文化不遺餘力，相關設施耗資逾1,000萬港元，開放予全校師生使用，讓有志於數碼科技創作的學生，有機會緊貼創科前沿，通過實踐應用，裝備相關知識，於創意媒體領域盡展所長，於數碼科技領航的當代社會有更多發展空間。

From Malaysia to Hong Kong: Putting Down Roots and Building a Future 海外生扎根香港 拓墾事業

Stella Yap Shu-lin's journey from Malaysia to Hong Kong is a testament to the transformative experience of travelling abroad to study. From overcoming language barriers to adapting to academic and professional life, Stella embraced every challenge with determination and passion. With support from mentors and peers, she quickly settled into her new environment, then broadened her horizons through overseas exchanges and took steps to explore her career path. After graduation, she chose to stay in Hong Kong and grow her career, evolving from international student into local professional. Now, she hopes to give back to her alma mater in appreciation of the support and rich opportunities it has provided her.

來自馬來西亞的葉淑琳 (Stella)，其留學香港的旅程正好印證了海外升學的蛻變力量。從突破語言隔閡到適應學業及就業生活，她以堅毅與熱誠迎接每個挑戰。在師友的支持下，她迅速融入新環境，並透過海外交流拓闊視野、探索職涯方向。畢業後，她選擇留港發展，從海外生蛻變為本地專才，期望以行動回饋母校，延續她在香港播下的成長種子。

Personal growth: support from faculty and friends

In 2019, Stella came to Hong Kong to study Corporate Governance and Compliance at HSUHK. Despite the unfamiliar surroundings at first, she quickly found her footing. "I'd say I'm an easygoing person, and I've found that Hong Kong's fast-paced lifestyle actually suits me well." She didn't initially speak Cantonese but worked hard to learn it, showing her fluency during our interview.

One thing Stella is grateful for is the support offered by the University at the levels of academic study, daily living, and career planning. The small-class teaching model meant she received close guidance from instructors like Dr Lisa Goh, the programme director. "Dr Goh patiently explained our career options beyond company secretary roles, and

this made me realise how close teacher-student relationships can be. I've even been able to take part in her research projects." Stella also mentioned the care shown by Ms Maggie Wong, then Associate Master of the residential college where she lived, who prepared homemade meals that offered overseas students a taste of home.

Living with a roommate from Guangzhou also enriched Stella's cultural experience. As an overseas student, Stella knew she had to overcome barriers so she always took the initiative in group projects. "Since I'm more familiar with Southeast Asia than most, I could always offer new perspectives and ideas." Admitted as an Honours Academy student, she learnt alongside outstanding peers from diverse disciplines, in an environment that fostered mutual growth.

內在成長：師友扶持助融入

Stella於2019年來港入讀本校企業管治與合規工商管理（榮譽）學士課程。初來港時難免人地生疏，幸而抵港後結識的朋友都很合得來。「自己個性爽快，發現原來香港的生活節奏挺適合我。」不諳粵語的她毅然苦練，訪問期間對答俐落，顯見成果。

Stella感激在學習、生活及求職上，得到大學教職員悉心扶持。課堂屬小班模式，學生獲老師貼身指導，像課程總監吳麗莎博士。她說：「我曾向吳博士請教畢業後除任職公司秘書，涉足其他領域的可行性，她很細心的解說，讓我體會到師生關係竟可如此緊密，更有機會隨她參與研究項目。」當時入住的住宿書院副舍監王美琪亦對宿生愛護有加，為他們炮製「住家飯」，讓一眾海外生也感受到家的溫暖。

Stella的室友來自廣州，大家背景雖各異，共處一室生活有助強化彼此文化交流。作為海外生，她深明必須衝破隔閡，進行小組作業時每每主動積極交流。「我對東南亞地區了解較多，能帶出新角度和想法。」本身份屬榮譽學院學生，她有機會和不同專業領域的優秀同學切磋學習，同學間的良好互動促進成長。

cultural experience

Professional development: broadening horizons and showcasing talent

Despite the challenges of the COVID-19 pandemic, which broke out during her studies, Stella was fortunate to be able to join several overseas study tours. She visited Shanghai, Singapore, and even the US, where she took a short course at Harvard University with master's students. She spent a semester in Finland as an exchange student, where "we solved real business problems for actual clients. It was like studying and interning at the same time." She also attended a United Nations conference in Bangkok: "My professor knew I was passionate about gender equality and human rights, and recommended me for the event, giving me a chance to explore a field I care deeply about."

Stella's diverse learning experiences helped lay down a solid foundation of professional knowledge. She praised HSUHK's industry-linked programmes and the Career Planning and Development Section of the Student Affairs Office for their guidance on career directions, job applications, and interview skills. "From enrolment to graduation, my sense of belonging to HSUHK grew stronger every day."

Currently working in the governance and control team for global operations of an international bank in Hong Kong, Stella hopes to give back by sharing her journey with junior students, proudly representing HSUHK graduates. She is also very grateful for the scholarships she received, and dreams of one day establishing an education fund to support future students. Her heartfelt advice to juniors is simple: "Find the path that suits you best. It doesn't have to be the most prestigious — just choose one where you can truly shine."

外在發展： 拉闊視野展才華

在學期間遇上新冠肺炎疫情，Stella慶幸仍有多次外訪遊學機會，前赴上海、新加坡，更在哈佛大學與碩士班學生一同修讀短期課程，另外又曾留居芬蘭一學期當交換生。她說：「課程需要替真實客戶解決公司的問題，好比一邊修課一邊實習，認識業界實況。」她也曾出席在曼谷舉行的聯合國會議：「老師知道我關注性別平權及人權議題，推薦我參加，給我機會探索熱衷的領域。」

多元學習生活打穩了專業知識基礎，事業規劃上也得大學相助。她表示，恒生大學的課程口碑載道，與業界聯繫緊密，讓她有信心留港發展。學生事務處的事業策劃及發展組在職業導向、求職及面試技巧上，也提供了不少幫助。她由衷表示：「由入學至完成四年課程，對恒生大學的歸屬感與日俱增。」

Stella期望能以實際行動回饋母校，如主持講座，向學弟妹分享經驗；現時於本港一間跨國銀行的全球營運部門任職的她也會做好自己，加強外界對恒大畢業生的肯定。感恩在學期間得到多個獎學金資助，她亦希望將來有能力成立教育基金供學生申請。她由衷寄語學弟妹，必須確認最適合自己發展的路向，不一定要選最好的環境，選擇最能讓你發揮的地方，這樣才能盡展所長。

Professional Development

Let's stay connected!

無論你身處何地，恒生大學始終與你同「恒」，
讓我們攜手延續這份「恒」久關係！

For 45 years, The Hang Seng University of Hong Kong has been committed to nurturing talent for society, with graduates making their mark across the globe. Over time, some alumni have lost touch due to outdated contact information. To reconnect, the Advancement and Alumni Affairs Office is proud to launch the *Trace the Footprints – Reconnecting HSUHK Alumni* campaign.

Whether you are still in Hong Kong or have moved overseas, or if you know any graduates from Hang Seng School of Commerce, Hang Seng Management College or HSUHK, we'd love to hear from you! Simply **fill out a short form and you may receive an exclusive gift**. One small action can help strengthen our alumni network — and expand your own.

Feel free to share this message with your former classmates and friends. Every share is a meaningful gesture of support.

四十五年來，香港恒生大學一直致力為社會培育人才，畢業生遍佈世界各地。多年來，部分校友因聯絡資料失效，令我們彼此失去聯繫。為了重新建立連繫，發展及校友事務處誠意推出「恒情不變」——尋校友計劃。

不論你現居於香港，或已移居海外，亦或認識任何來自「恒商」、「恒管」或「恒生大學」的畢業生，誠邀你填寫簡單表格與我們聯絡。完成後更有機會獲得精美禮品！

只需一個簡單的動作，即可幫助母校建立緊密的校友網絡，並拓展你的人脈網絡。歡迎將訊息分享給昔日同窗好友，讓更多人重拾與母校的聯繫。每一次分享，都是一份珍貴的支持。
